**Our mission:**

We offer our customers unparalleled access to a licensed agent. We are more focused on building long term relationships with our clients than making the quick sale which might not be in the client's interests. Most of our customers have been with Robertson Insurance (Commercial Lines) and Robertson Guerra Insurance (Personal Lines) for many years. To expertly place cost effective insurance with qualified insurers to get the best coverage for our clients. Through our affiliation with the network, Atlantic Pacific Insurance Brokers which consists of independently owned insurance agencies, we have access to most of the major AM Best A rated carriers.
